

Addendum 2  
2021 – 2 RFQ – Architectural Services for BCS HVAC Project  
Questions and Answers  
June 15, 2021

The RFP asks for fee proposals whereas Addendum 1 notes that only qualifications are due at this time.

Clarification: At this time we will not be requiring Fee Proposals as we are only looking for qualifications. Proposals will be screened down to a reasonable number of firms to interview. A fixed fee proposal detailing proposed scope of work and fees will be required from firms invited to a presentation and interview.
