Dear Parents and Staff,

The Bolton Public Schools was notified today that one support staff member and two students in grade 6 at BCS tested positive for Coronavirus (COVID-19). The affected individuals have been instructed to isolate at home by the school nurse or the Eastern Highlands Health District staff. A mask should continue to be worn for an additional five days after isolation at all times when around other people indoors.

Below is the list of COVID-19 symptoms for which everyone should monitor in their family members:

- Fever (100.4° Fahrenheit or higher) when taken by mouth
- Chills, muscle pain, body aches
- Shortness of breath
- Cough (or new uncontrolled cough that causes difficulty breathing for students with chronic allergies/asthma)
- Diarrhea, vomiting or abdominal pain
- Sore throat
- Congestion or runny nose
- New onset of severe headache, especially with fever
- Loss of taste or smell

For additional information on COVID-19 symptoms, please visit [CDC COVID Symptoms and Testing](https://www.cdc.gov/covid/symptoms). Staff and students exhibiting any of the above symptoms, or feeling ill, should remain home and call their medical provider to report their symptoms and ask about testing prior to seeking in-person care at a clinic, physician's office, or hospital. The complete list of testing sites across the state can be found at <https://www.211ct.org/covidtesting>. Please note that users can filter to show locations that offer pediatric testing as well.

The Eastern Highlands Health District is hosting a walk-in clinic on Monday, February 14th at the Patriots Park Lodge in Coventry from 3:30 - 7:00 PM. Please see the attached flyer for more information ~ [EHHD - Walk-In Feb 14 Pediatric Clinic - Patriots Park Lodge.pdf](#).

The Town of Bolton is hosting another COVID Booster Clinic on Thursday, February 17th. Please see the attached flyer for more information ~ [Bentley February March Booster Clinics.pdf](#).

Thank you for patience and partnership as we face these trying times together.

Stay safe and be well,

Kristin B. Heckt
