

BOLTON PUBLIC SCHOOLS

March 18, 2020

Dear Parents and Staff,

Attached to this email please find two important documents:

- 1.) The Bolton Public Schools Distance Learning Plan. [Bolton Public Schools Distance Learning Plan.pdf](#)
- 2.) The Bolton Public Schools Distance Learning Plan for Special Education and Related Services. [Bolton Public Schools Distance Learning Plan for Special Education and Related Services.pdf](#)

These two documents outline the Bolton Public Schools plans for providing a continuity of learning for our students during the COVID-19 closure.

As a reminder, for the remainder of this week I would ask that you continue to utilize the supplemental learning links set up for our BCS and BHS students and families. Our BHS students are encouraged to frequently check their Google classrooms for information and materials from their classroom teachers. For our BCS students and parents you will find the resources link on the BCS website homepage or at <https://docs.google.com/document/d/1tLiEPIhXpphCTBd4UOGk93D8EP5CWU8jEOGp6hosaiY/edit>.

Also, we will continue to provide “To Go” breakfast and lunch meals on Monday and Wednesday mornings between 8:00 – 9:00 AM at Bolton High School for any children and their siblings up to age 18. Parents are not required to bring their children to pick up the “To Go” meals.

Dealing with COVID-19 is difficult for all of us. We all handle stress and anxiety in different ways. Attached please find mental health information and resources that you may find helpful during this COVID-19 closure. [Mental Health Coronavirus Planning.pdf](#)

Tomorrow, you will be receiving a communication from your child/children’s building principal with more specifics regarding the plan for their building. On Friday afternoon, you will be receiving information from your child/children’s teachers. As a reminder, the Bolton Public Schools will be moving to a distance learning model beginning Monday, March 23, 2020 at 9:00 AM.

I hope you find this update helpful. Please do not hesitate to reach out to me at kheckt@boltonct.org with any questions or concerns.

Stay safe and be well,

Kristin B. Heckt
