

# BOLTON PUBLIC SCHOOLS

---

March 22, 2020

Good Afternoon,

The Stay Safe Stay Home announcement from Governor Lamont on Friday does not stop our distance learning plan or the functions of our emergency food service and meal programs.

Just a reminder we will begin the BPS Distance Learning Plan tomorrow, Monday, March 23, 2020 at 9:00 AM.

Also, please be advised that we will continue to offer Grab n' Go ("To Go") meals to all families with children up to age 18 in Bolton and this now includes all days of the week. Beginning this week we will be offering 2 breakfasts and 2 lunches on Mondays and Wednesdays and 3 breakfasts and 3 lunches on Fridays for pick-up between 8:00 - 9:00 AM at BHS. Please see the attached informational flyer. [Bolton Public Schools - Grab n' Go Meals.pdf](#)

We request that you please be sure to use social distancing when picking up the meals.

Thank you,

Kristin B. Heckt  
Superintendent of Schools
